Dear Mr. Cook:

Enclosed is a copy of the letter of response from the Senior Commission to the article on Home Repair for Seniors for your information.

Additionally, after speaking with Ann Areida-Hintz of the Senior Center, she informed me that the Senior Commission would be making a presentation at the April 19, 1995 Council meeting regarding a new program "Senior Home Repair Day" sponsored by the Kiwanis Club which will take place on May 6, 1995.

Should you need any further information, please contact Ann Areida-Hintz at the Senior Center.

Dear Phil,

Thank you for the article on Home Repair for Seniors from the Sacramento Bee and for the interest of Lodi resident Bob Cook. Your letter was read at the January meeting of the Senior Citizens Commission.

The Area Agency on Aging has programs in place for Handyman services that covers the entire county. They also fund the Careers 50+ program. These programs pay minimum wages for Seniors to do small home repairs and domestic services. The Senior Information and Referral Center can access these programs when necessary.

The Commission felt the City would not want to be involved in qualifying individuals for this program secondary to the liability.

The Kiwanis Club of Lodi is going to do a one day Home Repair Service for the elderly and this Commission will be working with them on this project. If this project is successful the Senior Commission may want to look into volunteer programs for the future.

Thank you again for your interest and support.

Sincerely,

*Trella B Areida*
